Re: *United States v. Yehuda Belsky*, 18 Cr. 504 (ARR)

Dear Judge Ross:

I write on behalf of Yehuda Belsky, with the consent of the government (A.U.S.A. Sarah Wilson-Rocha), to respectfully request a final adjournment of the sentencing hearing in this case, from the present date of December 17, 2019, to a date in early January, 2020 that is convenient to the Court.¹ The reason for this request is to allow the parties to resolve outstanding factual and restitution issues prior to submission of sentencing papers. The government is in the process of responding to several specific inquiries that I expect will enable us to resolve these issues and to ensure that all relevant information is properly before the Court at the time of sentence. Additionally, this brief adjournment will likely avoid bifurcating the determination of restitution from the sentencing proceeding and will make more efficient use of the Court's time.

Thank you for consideration of this request.

Respectfully yours,

/s/ ELL
